Hi Lynn, Please see the message below. Do you know of anything that may be in the Director's office or maybe in boxes that were in Phil's office?

Hi Linda,

Angela is working on a box of documents she has that may be responsive to this request, but I haven't heard from you as to whether you feel Phil's office may have had some correspondence or documents responsive? Appreciate your assistance - total request below in several e-mails...

Dear Ms. Sesko:

In order to be sure we're providing the specific records you are interested in, could you please clarify specifically which property you are referring to when you refer to Pennsylvania Avenue? If you have a property address or parcel number, it would be appreciated. If it would be easier to call and speak to me in person, please feel free to do so - my number is below.

Thank you,

Carol
